

FAPTO GENERAL MEETING MINUTES

TUESDAY, MAY 4, 2010

Meeting was called to order by Stephanie Arnold, President at 8:18am. Stephanie thanked everyone for attending the final FAPTO meeting of the year.

The following items were discussed:

Current Budget Overview 09/10 School Year

Stephanie reviewed the income and expenses of the current FAPTO budget. In the Income portion of the budget, special review was given to the March Auction as the largest planned fundraiser of the year. Income on auction items contributed by the FA community was \$612. An additional \$222. was raised on items provided by PSA, a sports authenticator company. On those items, FAPTO received 10% of the minimum bid and 50% of every dollar over the minimum bid. Due to lower than expected profits, it was agreed that careful consideration needs to be given to the type and direction of an auction, if planned in the future. Also, a written contract needs to be entered into by both parties' clarifying terms of the agreement.

Membership was discussed. Because of lower than expected percentages of family participation, this may be an area of special interest for next year's board.

All expenses for the year were reviewed. Current totals in the Checking Account are approximately \$6000. and \$19,000. in the Savings Account, as final numbers are being updated in the last weeks of school.

Teacher appreciation week is currently underway with a staff breakfast, lunch and \$50. cash gift given.
